

Equipment Sales and Rental

Great People. Integrity. Innovation.

Berkley Fire & Marine's Equipment Sales and Rental form provides coverage to equipment held for sale, as well as equipment offered for lease or rental. Written under AAIS IM 7700, coverage is available at described premises and certain off-site exposures.

Coverage is not dependent on an equipment schedule, and allows for flexible limits based on location and type of coverage provided. Coverage is also available on a contingent basis for equipment while out on lease or rental to an insured's customers. Both sales and rental fleets can be covered under a single form, and flexible valuation provisions are available. Endorsements are available to provide a comprehensive solution for sales and rental operations, including Rental Income, Additional Property Coverage, Fraud And Deceit, Installment Sales, and Equipment Hauling Coverage.
